

2026 Taipei Fringe Festival – Autonomous Venue

The Wan Theater is a professional performing arts venue located in the Taipei Wanhua Tangbu Cultural Park. It features a 22*14.5-meter main stage and 200 seats for the audience. The space is flexible and equipped with vinyl flooring, lighting, and sound facilities. It is available for performances and rehearsals by artistic teams. We welcome the Fringe teams to present your work in the Wan theater.

Formerly a sugar refinery during the Japanese colonial period, Wan Theater has been repurposed and restored by the Shinehouse Theater for professional performing arts use. While preserving the historical site, it serves as a platform for self-produced and curated programs, the Want to Dance Festival, the Shinehouse Artist-In-Residence Program, and more, contributing to a vibrant international performing arts environment.

Wan Theatre will provide:
