

Wan Theater

2022 Taipei Fringe Festival – Autonomous Venue

Wan Theater is a private venue independently operated by Shinehouse Theatre. This venue contains 200 seats and a 22*14 meter stage comparable to a large-scale theater, carrying unlimited creative possibilities. We welcome the Fringe teams to present your work in the Wan theater.

During the Japanese occupation period, Wan Theater was a sugar factory. Shinhouse Theatre restored the place as a theater space, opening the house for more performances to bring in more experimental creations, and to welcome various creators to come to Wanhua, the historic district in Taipei.
